Hon. Stacy L. Ruble, Secretary
Postal Regulatory Commission
901 New York Avenue NW, Suite 200
Washington, D.C. 20268-0001

Dear Mr. Ruble:

In connection with the Commission's rules pertaining to periodic reports, I have enclosed copies of the reports of Revenue, Pieces and Weight (RPW) by rate category and special service for Quarter 2 of Fiscal Year (FY) 2018. Each of these reports consists of two parts:

1. Mailing Services (Market Dominant Products), Revenue, Pieces and Weight by Classes of Mail and Special Services for Quarter 2, Fiscal Year 2018, Compared with the Corresponding Period of Fiscal Year 2017, **Public Report**; and
2. Shipping Services (Competitive Products), Revenue, Pieces and Weight by Classes of Mail and Special Services for Quarter 2, Fiscal Year 2018 Compared with the Corresponding Period of Fiscal Year 2017, **Public Report**.

I have uploaded an electronic copy of the combined Public Report to the Public Periodic Reports folder on the United States Postal Service Secure Large File Transfer Web Application portal (USPS SLFT).

As with prior reports in the recent past, I have included with the public versions of the RPW reports for Quarter 2 FY 2018, restricted versions that disaggregate the international and domestic data pertaining to competitive products (**Restricted Report**). The Restricted Reports (Part 2 of the reports for Quarter 2 FY 2018) do not redact information from the non-public versions of the reports, but present statistics in aggregated categories. The restricted reports are being provided on computer disk and in hard copy, and should not be made public. They have been marked as restricted and confidential.

As in previous years, the Quarter 2 FY 2017 or SPLY column of the RPW report contains revised numbers to properly reflect year-over-year changes.

The Postal Service believes that the material contained in the Restricted Report that is not included in the public version consists of information that would not be subject to mandatory disclosure pursuant to the Freedom of Information Act and Title 39 of the United States Code. Daniel J. Foucheaux, Jr.'s letter of September 29, 2009, which first transmitted the RPW report for Quarter 4, FY 2009 (in the revised format), included an "Application of the United States Postal Service for Non-Public Treatment of Materials" pursuant to 39 C.F.R. § 3007.21. That document, which describes the information in the restricted versions that has been aggregated in the public versions, and presents the statutory basis for the Postal Service's request for confidentiality, as well as a description of the harm that would result from disclosure, should be incorporated by reference here.

If you have any questions regarding the reports for Quarter 2, FY 2018, do not hesitate to call.

Best regards,
